# 1975 Eagles Flight

Volume III

Johnson Central High School  
Paintsville, Kentucky

## We Take Pride

In answer to a dream of concerned citizens, the doors of Johnson Central opened in 1968. In 1970 the school received the coveted comprehensive rating for excellence in academic endeavors. The building, a result of growth and change in our community, symbolizes the pride of students, faculty, administration, Johnson County Board of Education, and the public in general.

New experiences and new learning are a part of everyday happenings. New classes introduced in 1974 are Advanced Biology, Family Living, and French. Audio visual equipment was purchased this year. A TV camera, a Video-tape machine, and a monitor are used to improve instruction and to film sports events. The French and Science Clubs are new, and study halls have become more pleasant because of color television. Health facilities were improved by the addition of a school nurse. An active student council improved the student parking lot and installed a juke box to entertain the students. The Board of Education recommended the merit system which was instituted at the beginning of the year.

The new football stadium and sports complex seems to have added enthusiasm and incentive to win and has made football a more popular sport. The basketball team was admitted to the Big Sandy Valley Conference, and a girl's team was formed. A wrestling team was organized, and a weight lifting machine was added. Intramural sports offered credit.

In the future, we can expect to see new tennis courts and a driver education training course. A vocational building will be built, and a modern administration building will grace the campus. Changes have come in the seven years of our school's history. The pride that each of us has in our school will endure forever.

Kevin Earl Ely  
(1957-1974)

I lower myself  
To raise my state in God's eyes.  
I humble myself  
To make God proud of me.  
I empathize and help others,  
To please God.  
I hate no one,  
So I can love God.

# In Memory

Gary D. Salyer  
1958-1975

Johnny W. Frazier  
1959-1975

My life is but a weaving, between my God and me,  
I do not choose the colors, He worketh steadily,  
Oftimes He weaveth sorrow, and I in foolish pride,  
Forget He sees the upper, and I the underside.  
Not till the loom is silent, and shuttles cease to fly,  
Will God unroll the canvas and explain the reason why.  
The dark threads are as needful in the skillful Weaver's hand,  
As the threads of gold and silver in the pattern He has planned.

## FBLA Achieves

At left, Jane Brown is hard at work with the typewriter.

Through FBLA and under teacher supervision, Mrs. Rebecca Duk helped the girls to acquire skills, poise, and manners. Each year approximately 100 girls are on an instigated office practice and work in the office suite at school. There they apply skills and knowledge of correct office procedure. A trip to Morehead State University for a "career day" was a highlight of the year.

# Goals in '75

Debbie Davis assisted in the office. Sometime she helped students and teachers, other times she especially enjoyed meeting the public.

The FBLA club has helped the girls gain an insight for their oncoming careers.
